Rising in the Philippines' most prestigious financial and commercial district is a name synonymous with unparalleled service, quality and real estate. Trump Tower at Century City – the country's most amenitized residential high-rise and Manila's newest landmark. The City of Makati or „Modern Makati“ is the undisputed financial, commercial, and social centre of the Philippines. Makati is the hub of urban energy and vigour, where a multitude of exhilarating dining establishments, five-star hotels, the hottest nightspots and the country's most popular shopping malls are located.

POLYMUTAN

DRINKING WATER INSTALLATION SYSTEM

USE ANYWHERE IN NEW BUILDINGS, RENOVATION AND REPAIR PROJECTS

Never stuck for a solution. High product quality. Complete product assortment. Straightforward but extremely reliable and durable watertight joining technology. Low weight and troublefree. Time- and money-saving installation needing only a few lightweight tools. These are all things that make POLYMUTAN a "use-anywhere" indoor hot & cold water piping system. Whether you're building from scratch, renovating or just doing a repair job – the flexibility of POLYMUTAN is one of many "water-tight" arguments in this system's favour.

ADVANTAGES OF POLYMUTAN

- High durability thanks to high-quality materials and processing
- Watertight joints ensure high operational reliability
- Meets the high hygienic requirements, thus ensuring pristine water quality
- High abrasion resistance means immaculate hygiene and safety
- Resistance to thermal stressing, meaning high operational reliability
- Good chemical resistance ensures long service life
- Smooth inner surfaces of pipes prevent deposits and incrustation
- Water-flow noises are minimised and so is the resultant acoustic nuisance in the home
- The system's high dimensional accuracy and low weight save time and money when it is being installed
- The extensive range of different pipes and fittings permits solutions for all areas of application
